Any dream will do.

I close my eyes, drew back the curtain
To see for certain, what I thought I knew.
Far, far away, someone was weeping,
But the world was sleeping, any dream will do.

I wore my coat, with golden lining,
I wore my coat *ah*
Bright colours shining, wonderful and new.
ah
And in the east, the dawn was breaking,
And in the east *ah*
The world was waiting, any dream will do.
Ah, any dream will do

A crash of drums, a flash of light
Ah
My golden cloak flew out of sight,
Ah
The colours faded into darkness, I was left alone. Ah—
The colours faded into darkness, I was left alone
May I return, to the beginning?
May I return *ah*
The light is dimming, and the dream is too.
Ah
The world and I. we are still waiting,
The world and I *ah*
Still hesitating, any dream will do
Ah, any dream will do

Give me my coloured coat, my amazing coloured coat,
Ah *ah*
Give me my coloured coat, my amazing coloured coat,
Ah *my amazing coloured coat.*
