

It's Christmas time again

1.Snow flakes falling on the ground outside
Christmas cards arrive from far and wide
Presents waiting to be wrapped and tied
Because it's Christmas time again.

2.Twinkling lights upon the Christmas tree
Children singing carols merrily
Hanging mistletoe for all to see
Because it's Christmas time again

Ding dong ding dong ding, ding dong ding
Ding dong ding dong, ring out the church bells, ding dong ding

Let everybody sing, and there'll be hot roast turkey and a pudding after
Let everybody sing,
Jokes and paper hats and sounds of laughter
Streamers hanging from a paper chain because it's Christmas time
It's Christmas time, it's Christmas time again.
