Dear Parents

Year 3 Rocks and Soils Workshop, Tuesday 3rd November 2015

We have arranged a Rocks and Soils Workshop which will introduce the children to Geology. During the course of the day the children will take part in a number of fun activities which will allow the children to examine different types of rock and categorise them.

The workshops will be run by 'Mad Science' and the cost per pupil is £4.15.

As you know we are not allowed to charge for any activity that takes place during school hours and so this event will only be able to take place if enough voluntary contributions are received to cover at least 95% of the expense. NB For children in receipt of Pupil Premium funding, the contribution will be borne by the school.

Please complete and return the attached permission slip, with contribution if appropriate, to the school office by **Friday 16th October**. Our preferred means of payment is via WisePay – please contact the school office if you require any help logging in

Yours sincerely

Rebecca Meredith and Tim Clifford
Year 3 teachers
