

Mi caballo blanco

You are my fine companion,
a stable friend indeed.
We'll always be together,
me and you my trusty steed.

Mi caballo, mi caballo
galopando va,
Mi caballo, mi caballo
Sevay se va.
Ah-----mm,

You are my guardian angel
And understand my pain.
You'll always lift my spirits
As we race across the plain.

And when the gods in heaven
Announce our final ride,
They know that we'll be ready
Both together side by side.
