

## Simple Melody

Won't you play a simple melody?  
Like my mother sang to me  
One with good old-fashioned harmony  
Play a simple melody

Musical demon, set your honey a-dreamin', won't you play me some rag  
Just like some classical rag  
To some sweet beautiful drag  
If you will play from a copy of a tune that is choppy, you'll get all my applause  
And that is simply because  
I want to listen to rag.

Won't you play a simple melody?  
Just like my mother sang to me, she sang, she sang to me  
One with good old-fashioned harmony  
Why don't you play a simple melody, a simple melo?
