HOW IS THE MONEY SPENT?

All these events raise money which goes directly back into the schools. Over the past few years, we have raised a staggering £30,000 per year (on average). This has been spent on a wide variety of projects including:

Maths and Literacy
resources

Laptops

Workshops

PTO

CAN YOU HELP US?

None of the events can be done without volunteers. Can you spare some time? Has your youngest just started school and you have a bit more free time now? Are you new to the school and want to get involved? There are lots of different ways to help:

- Be on a general list of helpers to do small odd jobs here and there, no more than a few hours per year
- Join a sub committee for one of the main events (Xmas Fayre, Summer Fayre, Fireworks). No need to be on main committee, just to help out for a few hours with preparations for one of the events.
- Organise a smaller event (eg disco), again no need to join the committee if you don't want to.
- Join the PA – attend 9 evening meetings per year, help organise one or more events, or take on a specific role on the committee. Be involved in discussions about how money raised is spent.
