

## Crabtree Junior School: Sports Premium Allocation 2017/2018

Under the vision that ALL children leaving primary school are physically literate and have the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport all schools have been allocated P.E and Sports Premium funding. In total Crabtree Junior school has received a total of £ 18560

At Crabtree Junior School we will work to ensure that the funding is used to achieve self-sustaining improvement in P.E and school sport that measures against the following 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

	Diploma Level 3 Teacher Support. Students will be able to have individual support in lessons and more children can participate in clubs, with a particular focus on Years 3 and 4.	Support Apprentice training within Sport and the classroom.			clubs in Years 3 and 4.		
To support teaching and learning of PE to a high standard. (Premium Key 3)	To enable a half day each term to up skill and support NQT's within the school. To deliver 1 staff meeting a year as well as acting as a mentor to an apprentice. This will enable more extra curricular clubs to be run by a variety of staff. To upskill MSA's	To put dates into the school diary to enable this. To survey staff on their areas for development. To plan and deliver new initiatives to all staff to ensure they stay updated with new developments. Ensure any CPD is published on the staff noticeboard.  To run a training session to upskill MSA's in an activity of their choosing allowing them to run a structured activity for a targeted group of children.	£900		Teacher response sheet Copy of resources.	Mentoring our Apprentice has allowed her to take her own clubs and teams. This has meant more clubs could be offered down in Year 3 and 4 which has not been previously possible.	
To raise the profile of sport within the school (Premium Key 2)	The whole school community undertaking The Field and Playground Project.  Undertake a Year 5 and 6 Gym and Dance display that enables all children to take part and develop their confidence and performance skills.	Head and Governors dealing with the outside agencies to improve the drainage of the field and extend the size of the playground. Then to include new outside equipment including basketball posts and outdoor table tennis tables.  Organise a timetable for club nights to allow the children to work in their chosen groups to choreograph a gymnastic sequence. These are added to Year group trampette,	£225k (£10k SP contribution)  £50 photocopy programmes.		Field will be in use 90% of year so increased opportunities for the children to have sport clubs on the field and play fixtures against other schools. Increased activity at playtimes due to increased space as the children will have longer periods throughout the year when they can go on the field and play ball games which are not allowed on the playground.	The Gym and dance display was really successful with 131 children all taking part from Year 5 and 6. We ran 4 displays this year	

	Deliver a Sports Leaders course to Year 6 and a Playground Leaders course to Year 4 to increase the confidence of the children and to help enable more structured play both in the infants and the juniors.	vaulting and dance pieces taught in lessons.  Run 8 sessions before school to the whole of Year 6. Organise a timetable of leaders each half term. Run a Year 4 playground leaders course. 2 sessions and then run a carousel of activities for Year 2 to come and try.	£100 Certificates and booklets.			which meant the audiences were not quite so cramped and the morning session proved very popular with parents.  Sports Leaders sessions were run as breakfast sessions over 4 weeks with 55 out of the 64 children in Year 6 taking this up. They have been really successful particularly down in the infants where they provide structured play.	
To ensure school has a varied range of good sports equipment. (Premium Key 4)	The children will make more progress due to greater accessibility of a range of equipment both inside and outside of lessons.	Ensure maintenance of equipment we already have. Have the Herts County survey and fix our gym equipment. Buy 20 footballs Buy 6 netballs Buy tennis, cricket and rounders balls. 2 x mini tennis net	£650		Enough equipment for a piece of equipment each within lessons which increases skill level.	Great impact on the childrens skill level if they have access to their own piece of equipment or at least within small groups. The following percentages are children working within or at greater depth. In Year 3 =	Trying to look after the equipment we have and ensuring the children do this as well helps ensure that we maintain our numbers of equipment to ensure maximum participation and increase the levels of skill

## Swimming

Whilst the requirement to teach swimming pertains to pupils by the end of Year 6, at Crabtree we provide swimming for our Year 3 and 4 pupils only, throughout the year. We believe that consistent teaching throughout those years enable our pupils to grow in confidence and have sufficient time to learn the skills required.

How many children by the end of Year 4 could:	Percentage
Swim 25m?	100%
Use a range of swimming strokes effectively?	100%
Could perform safe rescue?	Not Assessed

A large number of Crabtree pupils take part in swimming lessons at a local swimming pool, from an early age and go on to swim competitively for the local club. Several swimmers compete at a higher level and often share their success in assembly.

If, by the end of year 4, children are unable to swim 25m we would offer them the opportunity to continue to participate in swimming lessons, either with the school, or at a local club.
